

AFTER SALES SERVICE

Our after sales service, like our products, is part of the Frewitt Total Care package. A team of experts is at your disposal to support you with your equipment, installation, maintenance, to offer advice and more.

By using our genuine products, the user eliminates:

- The risk of deterioration of the machine's performance
- The risk of explosion
- The risk of process discrepancy

FREWITT IS YOUR IDEAL CHOICE FOR:

Quality of our tools

Control & dimensioning of our tools

ATEX certification

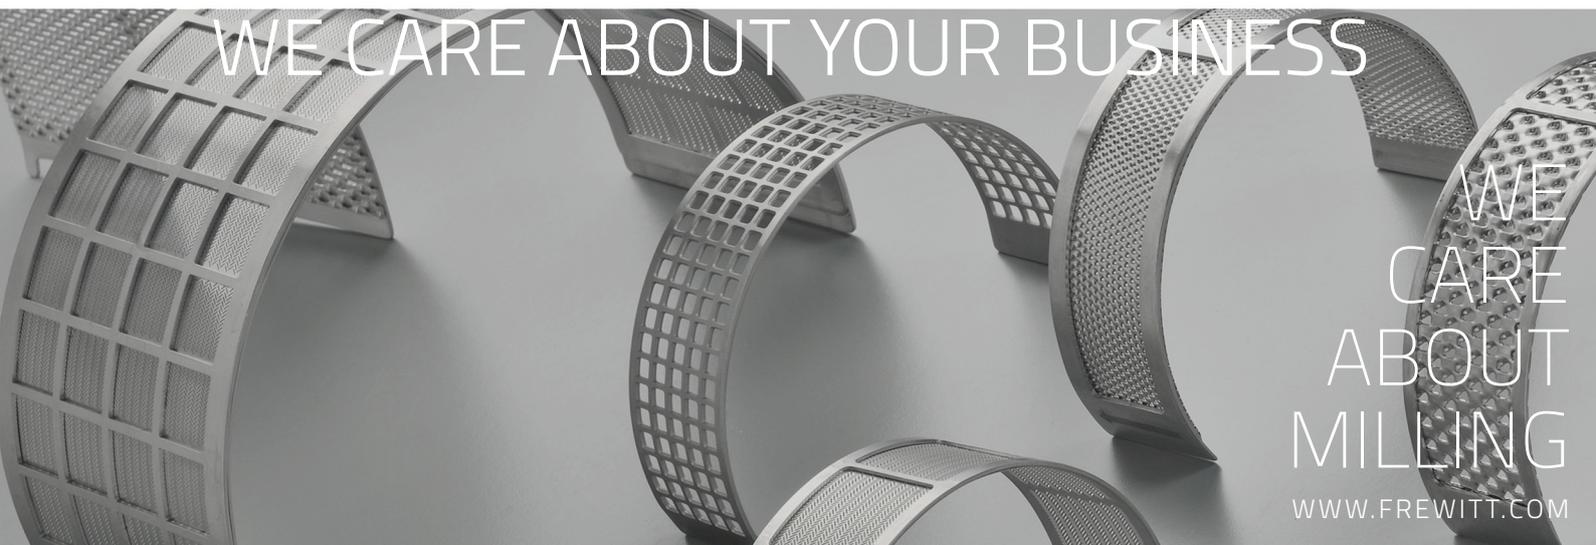

Quantity discounts

Fast & punctual service
